

Income

 **The wellbeing effect of income, relative to other factors, is an important part of our research**, so we would be very grateful for your answers here.

Please be assured that your information is confidential and secure (click 'Help & information', above right, to find out more).

Remember that in this survey a **household** means:

- one person living alone, or
- a group of people living at the same address who share common housekeeping or a living room.

What is your **household's** total gross annual income? This is:

- for all household members,
- from all sources (earnings, benefits, investments, etc.), and
- before taxes and National Insurance.

If you are not certain of an amount, please give your best estimate.

And what is your own **individual** total gross annual income? Again, this is:

- from all sources (earnings, benefits, investments, etc.), and
- before taxes and National Insurance.

If you are not certain of an amount, please give your best estimate.
